Purpose	Assignment provides a clear thesis and answers all 3 questions	Assignment has a thesis and answers at least 1 of the questions	Assignment is incomplete. It may lack a thesis, may fail to answer some of the questions	
Audience Accommodation	Writer uses an appropriate tone and expresses ideas clearly. Statements are illustrated with specific items and ideas from the article.	Writer uses an appropriate tone but may struggle in places to express ideas clearly. Some statements are illustrated with specifics from the articles.	Tone may be informal or snarky, and surface errors may interfere with communication. General statements, but few specifics are offered to show the reader what they are based on.	
Organization	Discussion moves logically from one idea to the next. The writer provides transitions and topic sentences to signal organization.	Organization seems logical, but the writer provides few intentional signals to make the logic apparent and guide the reader.	Organization is hard to follow. It may seem disjointed, and the writer includes no signals to clarify the principle of organization.	
Format & Documentation	Assignment uses MLA Style heading and MLA documentation of sources	Assignment may miss some details of MLA format and documentation	Assignment shows no awareness of format and documentation requirements
